Ca-ca-candy girl

verse 1

My favourite place ever is the candy store
I gotta satisfy my sweet tooth roar
I feel like charlie in the factory
Because everything seems so so tasty

Caramel gotta be my favourit bit
Cause it comes so sweet and so thick
Taste go ahead, imma take a detour
Can't get enough of that caramel bar

go ahead take a detour while I take my time
So many different flavours can't make up my mind
Never had a sugar rush, not like this before
Just cant get enough anymore-more-more-more

chorus

Chocolate, caramel, milkyway
'your my candy girl'
Got me go out just like a pancake
'your my candy girl'
Butter pecan, pecan
'your my candy girl'
Your my candy gir-rl, your my candy gir-rl
