(Y'all know who it is, I'm back. And I got some things on my mind. Ay, listen)

It's complicating, see when we started dating girl it happened so fast.

I was into you, you was into me so we did our thang physically.

Baby I just wanna tell you that I never thought it would last.

Then we started growing, babygirl it came from out of nowhere.

It was on us, it was clear, I cleared it, didn't think my feelings would change.

See got a little good vibe, really didn't mean to take it seriously.

I got caught in the way. You put it down.

So I stayed around, we're in love now.

Baby this is too much, feeling like I'm handcuffed, tied up.

But I don't wanna make the mistake.

But baby at the same time, you got inside of my mind, your mind.

Perfection in every way.

I don't wanna be the one to play you shawty.

See around the world instead of playin' on you.

Well its crazy but it's true, every other way I lose.

Its the selfish part of me girl, but deep inside I wish you.

(Did something wrong, am I ready for something this strong)

(She cheated on me, cheated on me, she cheated on me)

Girl cheat on me.

(I don't really know that I'm strong. In my heart I'm ready but I'm too young)

(She cheated on me, cheated on me, she cheated on me)

Cause it would make it easy to leave.

Why can't I say it, stuck in front of a mirror trying to

think of a way.

Girl I'm tryna be real but I can't conceal what I go through everyday.

Baby I should change the way I treat you (I treat you) But I can't stand to see you cry and break your heart.

Girl I just want a happy ending (I'm stressing)

I know I should've stopped it from the start.

But I was so alarmed when you put it down, so I stayed around.

What do we do now?

Baby this is too much, feeling like I'm handcuffed, tied up.

But I don't wanna make the mistake.

But baby at the same time, you got inside of my mind, your mind.

Perfection in every way.

I don't wanna be the one to play you shawty.

See around the world instead of playin' on you.

Well its crazy but it's true, every other way I lose.

Its the selfish part of me girl, but deep inside I wish you.

(Did something wrong, am I ready for something this strong)

(She cheated on me, cheated on me, she cheated on me)

Girl cheat on me.

(I don't really know that I'm strong. In my heart I'm ready but I'm too young)

(She cheated on me, cheated on me, she cheated on me)

Cause it would make it easy to leave.

This don't make sense, I don't see how our love could work. (No it can't work)

You'll always be mature in every sense of the world.

Can you try to hear me.

Baby I apologize for wasting your time.

(Baby) But shawty I know in time it'll be right (No!)

(Did something wrong, am I ready for something this strong)

(She cheated on me, cheated on me, she cheated on me)

Girl cheat on me.

(I don't really know that I'm strong. In my heart I'm ready but I'm too young)

(She cheated on me, cheated on me, she cheated on me)

Cause it would make it easy to leave.
