i think this for the radio  
i think this one

baby i'ma speed your love  
'cause you got me see in stars in this club  
and you're super bad and you got these girls mad  
'cause i'm about to make be my one  
they're about to catch a heartache  
they wanna see me rock your body, ohh.

â€¦ too close to me  
but the way i'm feeling is so severe  
you may even to call a law  
'cause you're .. on the floor  
make me want you more.

chorus:  
if it's, if it's , if it's a crime  
to want you like i want you  
and need you like i need you baby i'm doing time  
if it's, if it's , if it's a crime  
it's worth just to be the man who guess to see ya  
baby i'm doing time â€¦.  
i'm doing time.  
if the â€¦tonight i wouldn't care if i have you right by my  
side  
i won't complain take me away i'm down ..  
the price for a moment in a life,  
anything for your love just let me face the judge i'm  
ready  
hope i'm not playing too close in here  
but the way i'm feeling is so severe  
you may even to call a law 'cause you're .. on the floor  
make me want you more.

chorus:  
if it's, if it's , if it's a crime  
to want you like i want you  
and need you like i need you baby i'm doing time  
if it's, if it's, if it's a crime  
it's worth just to be the man who guess to see ya

baby i'm doing time â€¦.  
i'm doing time.

[2 x chorus:]
