[VERSE 1:]

The only thing on my mind when I walked out of the  
building was you  
Scrolling through all of my numbers, saw your name  
and I couldn't refuse  
See I'm right by 95 she ain't but a couple miles from  
here  
And I'm ready to serve her  
I could be there in a flash, layin her on her back  
Tell me, what would you say to her

[HOOK:]

This is my drunk dial,  
Calling asking you to come over  
So we could be closer  
Girl it's my drunk dial got some words I wanna say now  
Cause I can't when I'm sober  
This is my drunk dial, I wanna see you girl  
I wanna tell u things that shouldn't come out my  
Drunk mouth...  
There's nothing you could do to stop  
Me callin callin callin...

[VERSE 2:]

There wasn't a week that you didn't see this crazy  
routine  
After my shows, and the fun  
I would take a swig of that love she gave me  
I would make her my queen.  
I could feel her taking steps,  
Creepin away from the best of me  
I was open I can't lie  
She was a Gemini, sadly I fall every time truly  
She grew tired of my

[HOOK:]

Drunk Dial  
Calling asking you to come over  
So we could be closer  
Girl it's my drunk dial got some words I wanna say now  
Cause I can't when I'm sober  
This is my drunk dial, I wanna see you girl

I wanna tell u things that shouldn't come out my  
Drunk mouth...  
There's nothing you could do to stop  
Me callin callin callin...

[VERSE 3:]  
I Can't get why  
You won't stand by  
Make me feel this  
I Feel no pride I...

[HOOK:]  
Drunk dial,  
Calling asking you to come over  
I already told ya  
Girl it's my drunk dial and I got some words I wanna  
say now  
Cause I can't when I'm sober  
This is my drunk dial, I wanna c u girl  
I wanna tell u things that shouldn't come out my  
Drunk mouth...  
There's nothing no one could do to stop  
Me callin callin callin...
