Why do I still love you?
Why am I still denying the truth?
Time's passing by & I'm so confused
I'm tired of the ____ wish it could go away
Wish this could go away
That means won't go away (?)
There's nothing left to say
So go away

I know we said goodbye, but I can't stop wondering
Just what you're doing now & if you been thinking
If the time here was right
When we went our seperated ways
Cause it don't feel right aside
I wonder if you're feeling

I can't control it, shawty disown it (?), I've been so
lonely
I wish I could see you, but I don't need to, you ain't
_____ me
So I'm asking why

Why do I still love you?
Why am I still denying the truth?
Time's passing by & I'm so confused
I'm tired of the ____ wish it could go away
Wish this could go away
That means won't go away (?)
There's nothing left to say
So go away

I'm steady tryig to find the point
We coulda sworn this love was meant (?)
It was such a waste of time, every moment we spent
I keep trying to ignore, all the good times from before
But this thoughts won't go away

I can't control it, shawty disown it (?), I've been so
lonely
I wish I could see you, but I don't need to, you ain't
_____ me

So I'm asking why

Why do I still love you?

Why am I still denying the truth?

Time's passing by & I'm so confused

I'm tired of the _____ wish it could go away

Wish this could go away

That means won't go away (?)

There's nothing left to say

So go away

Wish this could go away

That means won't go away

There's nothing left to say

So go away
