[Verse 1:]

I been on the floor getting all the love, ladies back it up,
yeh they no what's up, shorty look good I just might
take her with me

[Bridge:]

One thing on her mind I no, no telling how far she'll go,
she like the ice wanna ride, wanna take all my dough,
can't seem to get away, I meet um her everyday, this is
what's it's been like, since you've been out my life

[Chorus]

Every saturday since you've been gone,
Am looking in the club for that mrs wrong,
Tell me what am I suppose to do, cause I can't find
another you

Every saturday since you've been gone,
Am looking in the club for that mrs wrong,
Tell me what am I suppose to do, cause girl am still in
love with you

[Verse 2:]

She can walk it out, but she got no class, show her my
car, she don't know where am at, baby you were the
from the start, you never let the money be an issue, I
can understand why we could'ntlast, it was my fault so I
should'ntask, give me one chance to show you, baby
come back and I won't loose

[Bridge:]

One thing on her mind I no, no telling how far she'll go,
she like the ice wanna ride, wanna take all my dough,
can't seem to get away, I meet um her everyday, this is
what's it's been like, since you've been out my life

[Chorus:]

Every saturday since you've been gone,
Am looking in the club for that mrs wrong,
Tell me what am I suppose to do, cause I can't find
another you

Every saturday since you've been gone,
Am looking in the club for that mrs wrong,
Tell me what am I suppose to do, cause girl am still in
love with you

[Verse 3:]

See baby your the star am needing, I no I gave you a
reason to leave, but this is what I've got to say

[Chorus:]

Every saturday since you've been gone,
Am looking in the club for that mrs wrong,
Tell me what am I suppose to do, cause I can't find
another you

Every saturday since you've been gone,
Am looking in the club for that mrs wrong,
