Don't wanna sing too much, but this aint right
Got me up against the wall
Every little look you give it gets me high
And I don't wanna fall
Girl, this feelin' it strange, are you feelin' the same?
Like my finger touched the socket, I'm shockin'
Baby lets get away, shawty I know a place
Where the pa-party don't stop knockin' knockin'

Chorus:

Meet me under the lights, I want you by my side
Don't wanna lose you tonight, tonight
Neon lights are bright, and you would have to be blind,
tonight
See how they shine, they shine, things are gonna

Tell me if I'm going wrong what would you like?
A double shot of patron?
And if you really wanna live in it tonight
Leave your troubles all alone (baby, move on)
Girl, you made my day, cause there's no one here, I
like ya, I like ya
Baby lets get away, shawty I know a place
Where the pa-party don't stop knockin' knockin'

Chorus:

Meet me under the lights, I want you by my side
Don't wanna lose you tonight, tonight
Neon lights are bright, and you would have to be blind,
tonight
See how they shine, they shine, things are gonna

I can't stop watchin' ya body swing, swing, hey, hey
There's somethin' 'bout tha light shinin' on your face,
face, face
I wanna see it girl

I can't stop watchin' ya body swing, swing, hey,
yeaayahh
There's somethin' 'bout tha light shinin' on your face,

face, face
I wanna see it girl

So, meet me under the lights
Don't wanna lose you tonight
Neon lights are bright, bright
See how you shine, shine

Chorus:

Meet me under the lights, I want you by my side
Don't wanna lose you tonight, tonight
Neon lights are bright, and you would have to be blind,
tonight
See how they shine, they shine, things are gonna
