[Verse:]

Baby it's enoguh to make a man just wanna (wanna)go
out on a limb yes gotta say somethin' I be sending you
death in about 30 minutes caught off guard while your
gunner are my witness

You got a swagger on me just ask each one of my
homies yeah and I can't stand to be a another fan I
want ya for my self alone will I wanna take you home
The club about to shut down in 30 minutes we don't
gotta wrap this up we can finish we got all night let's
use it girl follow my lead

With a shot of patrone we're on our way I hope I can
know ow baby I'm in controll ow

[Chorus:]

I can't let it go for the whole damn night you've been on
my mind (my mind)

Girl it's unbelievable to take her on my spine paralyzed
I'm par paralyzed

I wanna see you baby I wanna feel baby you wanna
know if I'm the man to treat your body right I can't let it
go girl you got my mind paralyzed I'm par paralyzed
I can't let it go for the whole damn night you've been on
my mind (my mind) girl it's unbelievable to take her on
my spine paralyzed I'm par paralyzed

I wanna see you baby I wanna feel baby you wanna
know if I'm the man to treat your body right I can't let it
go girl you got my mind paralyzed I'm par paralyzed
