INTRO:

My girl wants to party all the time, party all the time,
party all the time (x2)

VERSE 1:

(listen)

She ain't no ordinary girl, she's a lady
She wanna dance around this world Sunday to
Saturday
Now this ain't easy keepin' up with her, believe me
But I just can't say no (no no no...)
I said she's crazy for me, my lovin' and my money
You know there ain't no short supply...
But I'm needin' some relief, 'coz I'm about to loose my
mind, my mind, yeah!

CHORUS:

My girl wants to party all the time, party all the time,
party all the time (x2)
She never wanna be home, always ready to go, she's a
billion dollar dime
'Coz my girl wants to party all the time, party all the
time! (the time the time...)

VERSE 2:

I see her workin' on that floor that body so right
They know our face at every club, you know we own the
night
The only problem is I get no sleep 'til the job's done
But I just can't say no (no no ooh no no)
Miami we be, hoes in the clubs, on the beach
You know we hold our (rosey?) up in the sky
Takin' all my energy, about to make me loose my mind,
my mind!

CHORUS:

My girl wants to party all the time, party all the time,
party all the time (x2)
She never wanna be home, always ready to go, she's a
billion dollar dime
'Coz my girl wants to party all the time, party all the

time! (the time, the time...)

Ooooh, girl I've reached the limit I'm about to die
But somehow you're always keepin' me alive
Barely recover, we go, we go and we go, we go
Shorty wanna go, hold down Dubai
See what it do when I feel
her planes gonna land by the end of the night
She's the badest thing that I've seen around the world
So I stay with the girl for the ride

CHORUS:

My girl wants to party all the time, party all the time,
party all the time (x2)
(she's outta control)
She's always ready to go, she's a billion dollar dime
'Coz my girl wants to party all the time, party all the
time! (oh yeah!)
