Listen

I haven't felt the same, its been a long time since i felt
the magic of your touch
baby im missing your love (its giving me a chill)
shorty ima keep it real I, I can't move on
still having dreams every night that you really ain't
gone
i cant see or believe the thought of you and me, be ahh
alone

[pre chorus]
and its drivin, me crazy
thinkin, maybe,
we could, work out
but i know im living in doubt (this i don't know)

[chorus]
baby.. this.. ain't.. easy
oooooooooh... ooooooooooh (so alone)
why'd.. you.. go.. and.. leave me
oooooooooh... soooooooo (I'm so alone)

(So Alone)
(So Alone)
(So Alone)

So when did it begin
When did your heart start tellin you that we should be
friends
it hit me like a brick you know
all the sign that my world spinnin out of control
i could have got a crib, we were going so long girl i
thought this was it
and now you kissing diffrent lips
why you cut me off your so strong
you made it hard to live

[pre chorus]
and its drivin, me crazy
thinkin, maybe,

we could, work out
but i know im living in doubt (this i don't know)

[chorus]
baby.. this.. ain't.. easy
oooooooooh... ooooooooooh (so alone)
why'd.. you.. go.. and.. leave me (why did you leave me
