[Chorus:]

You Know I'd Ride For You, Die For You
What Ever The Case, You Blow Me Away
You May Not Think it's True But My Love Is Here To Stay
I'd Never Leave You
I'm Always Here For You
The Way You Put It Down Put It Down
Your Gonna Keep Me Around Forever And A Day
My Love Is Here To Stay.

[Verse 1:]

Last Night You Were Questioning Do You Still Feel The
Same Cause I Could See A Change
Can't Lie
Even I Could See Somethings Different About
Me(Somethings Different About Me) With A Dead Stare I
Could Feel Your Pain Cause Slowly You Trust This
Thang And Now I'm The One To Blame
Hold Down Now, Lemme Erase Your Doubts Away(Erase
Your Doubts Away)
Sometimes A Man Has To Do Different Things That
Might Even End Up Causing To Push His Girl Away But I
Never Ever Would Attentionly Hurt You
I Could Reasure And it's Time I Showed You

[Chorus:]

You Know I'd Ride For You, Die For You
What Ever The Case, You Blow Me Away

You May Not Think it's True But My Love Is Here To Stay
I'd Never Leave You
I'm Always Here For You
The Way You Put It Down Put It Down
Your Gonna Keep Me Around Forever And A Day
My Love Is Here To Stay

[Verse 2:]

Well Tonight I'm Gonna Make It Up
Give You The Love You Need And Take It Between The
Sheets
I Know You Feel Necedted So Baby I'll Correct It(Baby
I'll Correct It)

Oooh Tonight I'll Give You All Of Me(Just Get Ready)
Lets Make This Love Scene
Cause I Would Never Ever Attentionly Hurt You
I Can Reasure Now Baby
I'll Show You

[Chorus:]

You Know I'd Ride For You, Die For You
What Ever The Case, You Blow Me Away
You May Not Think it's True But My Love Is Here To Stay
I'd Never Leave You
I'm Always Here For You
The Way You Put It Down Put It Down
Your Gonna Keep Me Around Forever And A Day
My Love Is Here To Stay
