(1st verse)

You came into my life
And changed my world
Oh baby i never knew
Love could feel this way
My heart skips a beat
Whenever im with you
And lately it seems no one else
Could love me like you do
And thats the reason
i wanna spend my life with you

(Chorus)

Juss say you'll stay forever with me
Theres nuthin i wouldnt do
(Oh baby) Cause wen your with me
i realize.. All i need is yoooouuu
(All i need is you) Yoooouuuu

(2nd verse)

Cant imagine me without you
Here in my life
Your love's so real
You'll pick me up
Oh but i'll leave tonight
Theres nuthin i wont do just to hear
You say you love me girl
Understand that you're the only one
for me in this whole world

(Chorus)

Juss say you'll stay forever with me
(forever you will be)
Theres nuthin i wouldnt do
(Oh baby) Cause when your with me
i realize.. Said all i need is yOoOoU
(All i need is you) YoOoOu

(3rd Verse)

The first time i held you in my arms
(i knew you were the one)

I knew you were the one
Heaven sent you down to me
When my world turns grey
You are my suuuuun

(Chorus)
(Ohhhhhh)
Juss say you'll stay forever with me
(Dont ever leave me girl)
There's nuthin i wouldn't do
(Dont ever leave me)
Cause when you're with me
I realize.. Said all i need is you

Juss say you'll stay forever with me
(forever and ever)
There's nuthin i wouldnt do
Cause when you're with me
I realize.. Girl all i need is you..

Repeat till fades away
