Id give anything for love
Just to be with you
And girl i swear I'll never change
The way you are
'cause i will be there
I will be there for you
Forever more
I wanna share my life
Its only right that you be mine

'cause you are my angel from above girl (angel from above)
And you make the world go around with love girl
You are my angel from above

And every time i close my eyes
I thank the lord that ive got you
And girl i swear I'll never change
Your my dream come true
'cause i will be there
I will be there for you
Forever more
I wanna share my life
Its only right that you be mine

'cause you are my angel from above girl (angel from above)
And you make the world go around with love girl
You are my angel from above

Your my angel girl...

And you are my angel from above girl (angel from above)
And you make the world go around with love girl
You are my angel from above

You are my angel yeah

And you make the world go around with love girl
You are my angel from above

You are my angel from above girl (angel from above)
And you make the world go around with love girl
You are my angel from above
(fade till end)
