Being with you makes me believe
The sun will always shine
And I'm glad that I'm with you girl,
And that you're always mine

I close my eyes and I know
My trust is on your side
'cause being with you makes me believe
You're one of a kind

Beauty like yours is hard to find
Girl it's so impossible
It's your eyes and your smile
That is so incredible
I believe you are so precious to this earth
You are the one, so beautiful
My Asian Girl

You're always in my dreams and mind
All the time, yes you are

Being with you I see and believe
Your mind's open to the world
It's your personality that's real
I'm glad you're my girl

I open my eyes, I'm happy to see
You're here right here by my side
'cause being with you, I know and believe
I'm in paradise

You make the stars smile at the world
'cause you're always happy
And you are worth more than diamonds and pearls
And you're sweet and candy

I believe you are so precious to this earth
You are the one, so beautiful
My Asian Girl

Beauty like yours is hard to find

Girl, it's so impossible
It's your eyes and your smile
That is so incredible
I believe you are so precious to this earth
You are the one, so beautiful
My Asian Girl

I said you are the one, so beautiful
My Asian Girl
You're my... you're my... Asian Girl
