Putting on my best face  
Running with a suitcase  
I'll lead you on a goose chase  
Pretty as a trumpet girl

Follow my eyes, follow my feelings  
Follow my future wherever it's leading

Pretty as a trumpet  
Pretty as a trumpet girl

Good morning world  
It's so nice to be a beautiful girl  
(It's so nice to be... beautiful)

Party like a wild thing  
(ba ba ba ba ba ba)  
In parties that go on and on

Shake it at a nightclub  
(la la la la la la)  
Disco till the crack of dawn

Follow your nose  
Follow your feeling  
Follow the weather wherever it's leading

Shake it like a trumpet  
Rave up like a trumpet girl

Suffer in a basement  
(Pa pa pa pa pa pa)  
Pretty like a trumpet girl

Swing in Acapulco  
(Cha cha cha cha cha cha)  
Swinging in a changing world

Follow your eyes  
Follow your feeling  
Follow the fever wherever it's leading

Glitter like a trumpet  
Glitter like a trumpet girl

I am the astronaut  
I am the silver girl  
I am so strange and sweet  
I'm from another world  
I'll pass you on the street  
And then our eyes will meet

Liar liar pants on fire  
Your mummy's in the kitchen with electric wire  
Daddy's in the living room with his god  
They all get together round a lightning rod  
Two six five  
The goose drank wine  
The monkey chewed tobacco by the danger sign  
The line it broke, the monkey choked  
And they all went to heaven in a little row boat  
Yum yum bubblegum  
Stick it in your brother's gun  
Half way down the telephone wire  
Liar liar pants on fire  
How I wrote elastic girl  
How I wrote elastic girl  
Put some makeup on your face  
Make this world a better place

Good morning world...  
It's so nice to be beautiful
