I'll be loving yooh forever
Deep inside mah heart
Yooh'll leave meeh never
Even if yooh took mai heart
And tore it apart
I would love yooh still??forever

Yooh are the sun
Yooh are mah life
And yooh're da last thing on mah mind
Before I go to sleep at nite
Yooh're alwayz round
When I'm in need
When trouble's on mah mind
Yooh put mah soul at ease
There is no one in this world
Who can love meeh like yooh do
So many reasons that i
Wanna spend forever wit yooh

I'll be loving yooh forever
Deep inside mah heart yooh'll leave meeh never
Even if yooh took mah heart
And tore it apart
I would love yooh still??forever

We've had our fun
And we've made mistakes
But who'd have guessed
That through lord after all
We'd learn to give and take
It's so much more
That I could have give (I could have give)
Yooh make loving yooh
So easy for meeh
There is no one in this world
Who can love meeh like yooh do
That is the reason that i
Wanna share forever wit yooh

I'll be loving yooh forever

Deep inside mah heart yooH'll leave meeh never
Even if yooH took mah heart
And tore it apart
I would love yooH still??forever

And gurl I pray you'll leave meeh never
'cause dis is a world where lova's often go astray
But if we love each other??
We won't go won't go dat way
So put yoor doubts aside
Do wat it takes tah make it rite
'cause I'll love yooH
Forever
No one can tear us apart

I'll be loving yooH forever
Deep inside mah heart yooH'll leave meeh never
Even if yooH took mah heart
And tore it apart
I would love yooH still??forever
