Time...

I've been passing time watching trains go by,
All of my life...

Lying on the sand, watching seabirds fly
Wishing there would be
Someone waiting home for me...

Chorus:

Something's telling me it might be you
It's telling me it might be you...
All of my life...

Looking back as lovers go walking past...

All of my life...

Wondering how they met and what makes it last
If I found the place
Would I recognize the face?

Chorus:

Something's telling me it might be you
It's telling me it might be you...
All of my life...

Bridge:

So many quiet walks to take
So many dreams to wake
And we've so much love to make
I think we're gonna need some time
Maybe all we need is time...
And it's telling me it might be you
All of my life...

I've been saving love songs and lullabies

And there's so much more

No one's ever heard before...

Chorus:

Something's telling me it might be you
It's telling me it might be you...
All of my life...

(3x's)
Maybe it's you...
Maybe it's you...
I've been waiting for all of my life
