Oh, oh.....oh.....oh, baby....
Another tear, another waterfall
Another promise break
Another man doing you wrong again
I'll watch him walk away
I've seen the way you gave your heart to him
How you completely love
I need to find a way to let you know
I'll never give you up

Now is the time (now is the time)
I've got to try (I've got to try)
To show that I've become so sure (I've become so sure)
Even for me (even for me)
And I will be
Everything you need and more
Oh, baby, baby, baby

I am the one you're waiting for (I am the one)
My love is strong enough (oh yeah)
I am the one you're waiting for
I dedicate my love (only to you....oh, oh, baby)

I've seen the rain and all the damage done
And I won't let you down
Will let the tears (will let the tears)
Turn into tenderness
And turn your heart around
Baby tonight (baby tonight)
I'll take the time (I'll take the time)
To bring a smile back to your face (I will bring a smile)
Holding you close (holding you close)
I'll let you know (I'll let you know)
Heaven's just a whisper away
Oh, baby.....

I am the one you're waiting for (I am the one)
My love is strong enough (my love is strong enough)
I am the one you're waiting for
I dedicate my love (only to you....oh, oh, baby)

Look in my eyes
You'll see that you're meant to be mine
And when your world is coming undone
I'll bring the joy and the spring and the love
Baby, I am the one.....oh...

I am the one you're waiting for
My love is strong enough
I am the one you're waiting for
I dedicate my love to you
I am the one you're waiting for
My love is strong enough
I am the one you're waiting for
I dedicate my love
(Don't you know...baby...I am the one.....)
