Twinkle twinkle little star,
How I wonder what you are,
Up above the world so high,
Like a diamond in the sky,
Star light,
Star bright,
The first star I see tonight,
I wish I may, I wish I might,
Have the wish I wish tonight,

Twinkle twinkle little star,
How I wonder what you are,
I have so many wishes to make,
But most of all is what I state,
So just wonder,
That I've been dreaming of,
I wish that I can have owe her enough,
I wish I may, I wish I might,
Have the dream I dream tonight,

Ooo baby

Twinkle twinkle little star,
How I wonder what you are,
I want a girl who'll be all mine,
And wants to say that I'm her guy,
Someones sweet that's for sure,
I want to be the one she's looking for,
I wish I may, I wish I might,
Have the girl I wish tonight,

Ooo baby

Twinkle twinkle little star,
How I wonder what you are,
Up above the world so high,
Like a diamond in the sky,
Star light,
Star bright,
The first star I see tonight,
I wish I may, I wish I might,

Have the wish I wish tonight.
