I can't stop mi corazon (until eternity, unconditionally)
Here alone up in my room
Wishing I could be alone with you
You were my lover and my friend
Why did it have to end?
Is it really over? (No)

'Cause I can't sleep without you here
I'm afraid I'll drown in my own tears
You were the shadow by my side
Now all I do is cry
I don't want to live without you

I was a fool and I broke your heart
I'm going crazy
Please listen to me lady

Now, you're all that I need
I'm begging you please
Don't take your love away from me
And I'll give you my heart (until eternity,
unconditionally)

Reminiscing of how we used to be (here)
I can feel your body close to me
I know that that was yesterday
I threw it all away
Leaving you broken hearted

I give you my heart till the end of time
And if you'll take it I know that we can make it (I know
that we can make it)

Now, you're all that I need
I'm begging you please
Don't take your love away from me
And I'll give you my heart (until eternity,
unconditionally)

Don't leave now
I'm down on my knee

Begging you please
Don't take your love away from me
I'll give you my heart (I'm down on my knees begging
you please)

Now, you're all that I need
I'm begging you please
Don't take your love away from me
(Fades out)
