how can I go on
when i kno i gave it all
that i give them to much Oh O O
something inside your heart
is pushing me a side
and it seem so un you babae
but it so hard on me
wat is it i see in your eye
story that im reading say good bye

chours~~~
tell me baby where we have go wrong
how did we lose a love so strong
wat cani say to make thing rite
baby hold on dont leave to nite
there no reason why one of us should die
dont say goodbye

searching for answer
cause there are so hard to find
cause im still loving you
O why you still loving u
baby dont u trun close the door
easily that you dont love me no more
chours'''

dont leave me now
dont bring me down
cause im not strong
i need a love to carry on

chours* repeat twice *

there no reason y one of us should die
dont say goodbye
there no reason y one of us should die
dont say goodbye
dont ever say good bye

dont say good bye
