HALF THE MAN

IBU (Inspired By U)

Can you hear me now
Can you hear my voice in the rain
Can you see the tears that fall from the sky
Don't you know they're mine

Can you stop the rain
Can you bring the stars out again
All my sorrows, all my pride
wish they had a quiet place to hide

Chorus:
Coz I'm not half the man anymore that you knew
Baby, I'm so lost and the reason is you
We can never win in this game of love
I'll never be the same coz you're all I have
But now you're gone.

HoooÂ.....

Can you stop the rain
Can you bring the stars out again
All my sorrows, all my pride
wish they had a quiet place to hide

Chorus:
Coz I'm not half the man anymore that you knew
Baby, I'm so lost and the reason is you
We can never win in this game of love
I'll never be the same coz you're all I have
But now you're gone.

Chorus
Coz I'm not half the man anymore that you knew
Baby, I'm so lost and the reason is you
We can never win in this game of love
I'll never be the same coz you're all I have
But now you're gone.
Now you're goneÂ.....
