Seeing you it drives me crazy  
And being next to you, can you tell me  
How you got my mind all hooked on this feeling  
Tell me how you like it and I'll give it how you want it  
Babe  
Babe, I woke up on ya thinking I was gonna  
Do the things I had up in my mind  
Your eyes looked oh so sexual  
And I wanna do anything you want me to  
You're tempting me but I see  
You and me are so close Girl  
Yes I know that you want me  
Don't be afraid 'cause I'm feeling the same way  
Just tell me the way you want it Babe  
HOOK:  
So tell me what you wanna do  
(Make up your mind)  
So maybe 'fore the night is through  
(Let's not waste time)  
'Cause there's a few things we could do  
(I've made up my mind)  
Baby if you want me  
I got a thing for you  
(repeat)  
So tell me what it is you're thinking  
Tell me what it is you're feeling  
'Cause I don't want this night to end  
Girl before this night is through  
I gotta feel myself in you  
The question's on my mind Girl are we gonna do this  
How we gonna groove this yeah  
Just let me give you what you need  
Just give in and then you'll see  
You've tempted me, now I see  
You and me are so close  
You're telling me that you want me  
Don't hesitate 'cause you know that I feel the same way  
Just tell me the way you want it Babe  
HOOK  
BRIDGE:  
My... My... My...  
Girl you got me singing "my my my" tonight

So damn fine  
'Cause you're looking so divine  
My... My... My...  
You're so damn fine  
I got a thing for you  
HOOK 2x
