Time...

I've been passing time wathing trains go by,  
All of my life...  
Lying on the sand, watching seabirds fly  
Wishing there would be  
Someone waiting home for me...

Chorus:

Something's telling me it might be you  
It's telling me it migt be you...  
All of my life...

Looking backas lovers go walking past...

All of my life...  
Wondering how they met and what makes it last  
If I found the place  
Would I recognize the face?

Chorus:

Something's telling me it might be you  
It's telling me it migt be you...  
All of my life...

Bridge:

So many quiet walks to take  
So many dreams to wake  
And we've so much love to make  
I think we're gonna need some time  
maybe all we need is time...  
And it's telling me it might be you  
All of my life...

I've been saving love songs and lullabies  
And theres so much more  
No one's ever heard before...

Chorus:

Something's telling me it might be you  
It's telling me it migt be you...  
All of my life...

(3x's)  
Maybe it's you...  
Maybe it's you...  
I've been waiting for all of my life
