i i i i came to dance
i hit the floor coz that's my plans
i'm wearing all my favourite brands
give me some space for both my hands
yeah yeah
coz it goes on and on and on
and it goes on and on and on

i throw my hands up in the air sometimes
saying ayooo, gotta let go
i wanna celebrate and live my life
saying ayoo baby lets go

coz we gon rock this club
we gon go all night
we gon light it up
like its dynamite
coz i told you once
now i told you twice
we gon light it up
like its dynamyte

i came to move
get out the way of me and my crew
im in the club so im gonna do
just what the fuck i came here to do
yeah yeah
coz it goes on and on and on
and it goes on and on and on

i throw my hands up in the air sometimes
saying ayooo, gotta let go
i wanna celebrate and live my life
saying ayoo baby lets go

coz we gon rock this club
we gon go all night
we gon light it up
like its dynamite
coz i told you once
now i told you twice

we gon light it up
like its dynamyte

i'm gonna take it all â€¦ i
i'm gonna be the last one standing
are you over all â€¦ i
i'm gonna be the last one lining
coz i, i, i, believe it
i -i -i i just want it all
i just want it all
im gonna put my hands in the air
put your hands in the air

i throw my hands up in the air sometimes
saying ayooo, gotta let go
i wanna celebrate and live my life
saying ayoo baby lets go

coz we gon rock this club
we gon go all night
we gon light it up
like its dynamite
coz i told you once
now i told you twice
we gon light it up
like its dynamyte
