I can tell you what it is, I can tell you what is hard, I can  
tell you what a heart should be.

I can tell you what I love, tell you what I like, tell you  
what is on my mind so if you want to know I promise  
that I'll say it.

Do anything to keep you near here.

So tell me what you want to see, girl you know I'll take  
you there.

Damn, I got so much love, for you I'd die, for you I'd  
ride.

Ask me, then I'll turn the world.

Stop at the right, don't look, man.

Just as long as you understand.

(x2)

If you want, you like, my watch, my chains, my rings.

Just to see your smile, I'd give out anything.

Give my love so you can breathe, love is all you need  
so breathe.

You can take my voice, my dear I promise I won't say a  
word.

Then take my feet and I'll be here until your grace  
returns.

We'll try to push the lever, put a fire through the  
pressure.

My dear, as long as you are here I'm right

So tell me what you want to see, girl you know I'll take  
you there.

Damn, I got so much love, for you I'd die, for you I'd  
ride.

Ask me, then I'll turn the world.

Stop at the right, don't look, man.

Just as long as you understand.

(x6)

If you want, you like, my watch, my chains, my rings.

Just to see your smile, I'd give out anything.

Give my love so you can breathe, love is all you need

so breathe.
