It seem like everybody else can just start over except for me, i know i made mistakes but shoulda payed when i loved ya, well can we just agree that we aint perfect at all at all

and we all distance to fall can you forgive it just likes when leaves and this is tha season to start again love. Just like the hurricaine it brings back a new begin, so it's like we making love it brings a little hope in us, cuz it's hard to make it out here without love that you called your one.

Can we make it till tomorrow and start again with us. i can wait untill december \*it's nothing i did\* wrong and make them right, see everybody loves december, \*whipped\* it away try it aigain and maybe i get it right this time.

Now the new year begins, thank god the old one has ended, for we was 2 steps living our lifes apart, and baby i can forget the past, if you could remember the good times we had, and i'll be loving you from the start so will you do your part love, Just like the hurricaine it brings back a new begin, so it's like we making love it brings a little hope in us, cuz it's hard to make it outthere without love that you called your one.

Can we make it till tomorrow and start again with us. i can wait untill december \*it's nothing i did \* wrong and make them wright, see everybody loves december, \*whipped\* it away try it aigain and maybe i get it right this time,,

We all need a replay a chance to do it again with all the mishaves all the fall outs i don't wanna lose a good friend, you will get your turn and maybe right then you will learn so ask for forgiveness and i hope they make it burn.

i can wait untill december \*it's nothing i did\*wrong and make them wright, see everybody loves december, \*whipped\* it away try it aigain and maybe i get it right this time
