Get down tonight
Get down tonight
Get down tonight
Get down tonight
Well its that time of the day again
When the suns goin down the bend
To watch time fly is my only plan
Cruise to the beach then back again
Seorita, nice to see ya
Wanna ride in my Kharman Ghia
Cuz ain't nuthin better that I'd rather do
But cruise with you in da afternoon

Top down and Im cruisin
Late in the afternoon
No worries in my head now
I just wanna get down with you

When the sun goes down the party begins
Get down tonight
Get down tonight
Get down tonight
Get down tonight

When the sun goes down the party begins
The city transforms and the vibe transcends
So here they come the weekend fanatics
Good times is just automatic
Aint no static lookin for adventure
Havin fun is the only agenda
Renegades on an escapade
Just waitin' for da sun to fade

Life is good when were all together
And we're all just havin' fun
Mr. DJ turn up the sound now
Cuz we all just wanna get down
It dont get much better than this now
It dont get much better than this

When the sun goes down the party begins

Get down tonight
Get down tonight
Get down tonight
Get down tonight
Get down tonight
Get down tonight
Get down tonight
Get down tonight
