We move in the club
So I shake my stuff
Like this, in the club
Do you wanna come and dance

Dance in the club
So I shake my stuff
Like this, in the club
So you'll wanna come and dance

Hey boy, I've seen you staring at me all night long
Won't you come close promise that I won't bite
Just want to move our bodies to this song
So we can dance all night long

Move, our bodies shaking as we listen to the melody
I know you like it
Move, our bodies closer so that you can feel me
trembling
I'm trembling

We move in the club
So I shake my stuff
Like this, in the club
Do you wanna come and dance

Dance in the club
So I shake my stuff
Like this, in the club
So you'll wanna come and dance
Hey, I feel the rhythm and it's shaking every part of me
I want you closer so that you can feel all of me
I'm feeling sexy and erotic when you're touching me
I bet you're thinking how you wish you would be
fuc.... me
It's ok to fantasize about me
I just want to see you move your body

We move in the club
So I shake my stuff
Like this, in the club
Do you wanna come and dance

Dance in the club
So I shake my stuff
Like this, in the club
So you'll wanna come and dance

We move in the club
So I shake my stuff
Like this, in the club
Do you wanna come and dance

Dance in the club
So I shake my stuff
Like this, in the club
So you'll wanna come and dance
