I walk around in my house  
Wonderin were on earth i am,  
Im in this room and im in that room  
But in this room i live my life

My mums started workin' in that cafe in town,  
She gets paid qite a lot in month  
"but what do i get? I get Â£10s a month  
So My mum can by anything,  
But scince i only get Â£10 a month  
I can only buy absolutly nothing for me

It puts me in a mood, so i stamp around the room

Cos when I

Walk around in my house  
Wonderin where on earth i am,  
Im in this room and im in that room  
But in this room i live my life

When im walkin around in my house  
Wonderin where i am,  
Im in this room and im in that room  
But in this room i ... live ... my ... life

Unlike my friend danial i had a good day  
And like my friend james my life is fine  
Unfortunatly, my dads so like me  
Only he gos to work and i go to school  
So it came my mind on a very rainy  
That maybe it would be good if we swopped places for  
the day.  
I stayed in my room for the rest of the day an the i  
asked my dad  
And can you guess what?

He put me in a mood, so i stamped around the room

Cos when I

Walk around in my house  
Wonderin where on earth i am,  
Im in this room and im in that room  
But in this room i live my life

When im walkin around in my house  
Wonderin where i am,  
Im in this room and im in that room  
But in this room i ... live ... my ... life

When im walkin around in my house  
Wonderin where i am,  
Im in this room and im in that room  
But in this room i ... live ... my ... life!!!
