### "Seventeen Cups"

Visit "[Seventeen Cups](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Have a cup of tea to pass the time  
It doesn't pass enough so I have nine  
And everything to do is done for you  
And there is nothing left for me outside this room  
And it's 'cause secretly I know  
I'll be home soon  
But that's true

Have another cup to celebrate  
It doesn't cheer me up so I have eight  
Put my stuff in the washing machine  
And you know when it goes in dirty  
It comes out clean  
There's not much on the TV this afternoon  
Except Boone

In my room there's not a lot to do  
So if I let you in please don't touch anything  
And in my room there isn't much to do  
So if I let you in  
Don't touch a thing

And everything to do is done for you  
And there is nothing left for me outside this room  
And you know nothing in this world compares to you  
And there is nothing left for you outside this room

And it's like everything you do is done for you  
And there is nothing left for me outside this room  
And you know nothing in this world compares to you  
And there is nothing left for you outside this room

La la la, la la la la la, la la la...
