Pointing fingers
People screaming
Talking behind my back
Twisting rumors
Manipulation

Silent stares
It's not fair
For trapping me where I'm at
Keeping me from my dreams
And walking on me like that

Selfish me
For wanting more for myself
Selfish me
Putting my life on a shelf
Selfish me
I'm asking you for your help

My guilt lingers
My ears ringing
But still I hold my tongue
Crying rivers
Degradation

Silent stares
It's not fair
For trapping me where I'm at
Keeping me from my dreams
And walking on me like that

Selfish me
For wanting more for myself

Selfish me
Putting my life on a shelf
Selfish me
I'm asking you for your help

Forgive me, I only think of myself
Set me free, send this pride back down

Selfish me
For wanting more for myself
Selfish me
Putting my life on a shelf
Selfish me
I'm asking you for your help

Selfish me
For wanting more for myself
Selfish me
Putting my life on a shelf
Selfish me
I'm asking you for your help

Help, help, help, help

Pointing fingers
People screaming
I'm asking you for your help
