I broke in your house at around 11.30
You looked so peaceful sleeping there (yeah yeah)
Some say I'm twisted
That my obsession is a little freaky
But I just can't let you disappear

So I'm on the hunt for you
And there's nowhere you can hide
'Cos boy I've got you in my sights
And I'm swearing black and blue
I won't go down without a fight
I won't give up until you're mine

I got six million ways to love ya
But I can't find the words to say
Six million ways to hold ya
But I can't get you to stay

Six million ways
Gotta get you back into my li-i-i-ife (I'll get you back into
my life)
Six million ways
Gotta get you back into my li-i-i-ife (I'll get you back into
my life)

Baby we ain't breakin' up
You know that you can't escape this
I know where you work, eat, sleep, and breathe
I can lose the binds if you take the time to share just
one kiss
But I'll never ever set you free

'Cos I'm on the hunt for you
And there's nowhere you can hide
'Cos boy I've got you in my sights
And I'm swearing black and blue
I won't go down without a fight
I won't give up until you're mine

I've got six million ways to love ya
But I can't find the words to say

Six million ways to hold ya
But I can't get you to stay

Six million ways
Gotta get you back into my li-i-i-ife (I'll get you back into
my life)
Six million ways
Gotta get you back into my li-i-i-ife (I'll get you back into
my life)
x2

Need a new jacket baby, I got the cash
Get on the train sugar, come ride my track
You wanna rumble playa, I got ya back
You fallin' short baby, I'll take the slack
I'll bring the beats baby, you can "Shake It Fast"
Can't find your way baby, I got the map
Boy I ain't playin' and ya know that's a fact
I got a tattoo of your name on my ass

I got six million ways to please ya
But I can't find the words to say
Six million ways to squeeze ya
But I can't get you to stay

Six million ways
Gotta get you back into my li-i-i-ife (I'll get you back into
my life)
Six million ways
Gotta get you back into my li-i-i-ife (I'll get you back into
my life)
x2

I've been waitin' for so long
