Woahhhh  
Yeahhhh  
Woahhhh

Getting married in the morning  
It's hardly peaches and cream  
We haven't got a lot in common  
Except the daily routine  
Nothing on the Television  
Just the dust on the screen  
So, come on lets get together  
Why don't we join a team?

You might as well face it you're addicted to drugs  
You might as well face it your addicted...  
You might as well face it you're addicted to drugs  
You might as well face it your addicted...

Woahhhh  
Yeahhhh  
Woahhhh

Greatest poet of the sixth form  
Turned out to be a fraud  
Man you got a lot of buddies  
How do you remember them all?

You might as well face it you're addicted to drugs  
You might as well face it you're addicted...  
You might as well face it you're addicted to drugs  
You might as well face it you're addicted...

You might as well face it you're addicted to drugs  
You might as well face it you're addicted...  
You might as well face it you're addicted to drugs  
You might as well face it you're addicted...

Woahhhhhh
