When I was good  
I couldn'ta been anymore bad  
And when I was right  
I couldn'ta been anymore wrong

Everybody knows what's going on  
Everybody knows but me  
Everybody knows what's going on  
Everybody knows but me

And when I tried hard  
It couldn'ta been more easy to do  
And when I was close  
It couldn'ta been further from view

Everybody knows what's going on  
Everybody knows but me  
And everybody knows what's going on  
Everybody knows but me

And I don't understand  
Why your head is in your hands  
'Cuz no one's ever gonna get in trouble but me  
No one's ever gonna get in trouble but me

And I don't understand  
Why your head is in the sand  
Cuz no one's ever noticed anybody but me  
No no one's ever noticed anybody but me

'Cuz when I was good  
I couldn'ta been anymore bad  
And when I was right  
I couldn'ta been anymore wrong

And everybody knows what's going on  
Everybody knows but me  
Everybody knows what's going on  
Everybody knows but me

Everybody knows what's going on  
Everybody knows but me

Everybody knows what's going on  
Everybody knows but me
