Follow the underdog
Hold on its collar tag
This city loves a scrap
One day it's gonna bite

Sticks and stones and animal bones
Can't stop me from having
A good day on a bad day
There's good days and bad days

Making a night of it
Breaking the barriers
Drowning your sorrows
Upset the regulars

Sticks and stones and animal bones
Can't stop me from getting away with
Good days and bad days
There's good days and bad days

Oh, hey, hey
Hey, hey
Hey, hey
Hey, hey

Oh, hey, hey
(Breaking the barriers)
Hey, hey
(Making a night of it)

Hey, hey
(Getting away with it)
Hey, hey
(Good days and bad days)

Sticks and stones and animal bones
Sticks and stones and animal bones
There's good days and bad days
There's good days and bad days

Hey, hey
Hey, hey

Hey, hey
(Family business)
Hey, hey
(He's getting away with it)

Hey, hey
(Family business)
Hey, hey
(He's getting away with it)

Hey, hey
(Family business)
Hey, hey
(He's getting away with it)

If you had a different attitude
Instead of take and take and take
You have missed an opportunity
And that's a really big mistake

If you had a different attitude
You'd still have good days and bad days
Hey, hey, hey
