None of the buildings even look the same,  
And underneath them all the shops have changed,  
And over time there are a lot more cranes,  
Stacking blocks for young professionals to stay.

And I can do it, I can do it,  
I can do it, I can do it without you,  
I can do it, I can do it,  
I can do it, I can do it without you.

I'm returning to the North again,  
Everybody has to talk on the train,  
And if you've got nothing that clever to say,  
Nobody's listening to you anyway.

'Cause I can do it, I can do it,  
I can do it, I can do it without you,  
I can do it, I can do it,  
I can do it, I can do it without you,  
But it wouldn't be very good.

La-la-laaa  
La-la-la-la-la-la  
La-la-laaa  
La-la-la-la-la-la  
La-la-laaa  
La-la-la-la-la-la  
La-la-laaa  
La-la-la-la-la-laaa

What you want, it, it doesn't matter,  
I don't think that it can be done without you.  
What you do, it, it doesn't matter,  
But everything that's done is all about you,  
It's going on without you, going on without you...

We convinced each other nothing has changed,  
Nobody else will ever write the same,  
The adaptation for the stage is now playing,  
For your protection all the names have been changed.

I can do it, I can do it,  
I can do it, I can do it without you,  
I can do it, I can do it,  
I can do it, I can do it without you,  
I can do it, I can do it,  
I can do it, I can do it without you,  
I can do it, I can do it,  
I can do it, I can do it without you,  
But it wouldn't be very good.

Oo-oo-oo.
