I know 'cos I've seen it  
It was great and I want it  
There's no point in sitting  
Going crazy on my own  
Do you know what  
I was put here in this world for  
Could you tell me  
In three words or more  
It's the only way of getting out of here  
It's the only way of getting out of here  
Take a lesson  
>From the ones who have been there  
My brain is not damaged  
But in need of some repair  
Hold on to the basics  
But we can change all our tactics  
There's no point in sitting  
Going crazy on my own  
It's the only way of getting out of here  
It's the only way of getting out of here  
This is the modern way  
Of faking it everyday

And taking it as we come  
And we're not the only ones  
Is that what we used to say  
This is the modern way  
I know where I'm going  
And that we are in the knowing  
And I will stop at nothing  
Just to get what I want  
It's the only way of getting out of here  
It's the only way of getting out of here  
This is the modern way  
Of faking it everyday  
And taking it as we come  
And we're not the only ones  
Is that what we used to say  
This is the modern way  
This is the modern way  
Of faking it everyday  
And taking it as we come

And we're not the only ones  
Is that what we used to say  
This is the modern way
