I walk around in my house
Wonderin were on earth i am,
Im in this room and im in that room
But in this room i live my life

My mums started workin' in that cafe in town,
She gets paid qite a lot in month
"but what do i get? I get Ã,Â£10s a month
So My mum can by anything,
but scince i only get Ã,Â£10 a month
i can only buy absolutly nothing for me

It puts me in a mood, so i stamp around the room

cos when I

walk around in my house
Wonderin where on earth i am,
Im in this room and im in that room
But in this room i live my life

When im walkin around in my house
Wonderin where i am,
Im in this room and im in that room
But in this room i ... live ... my ... life

Unlike my friend danial i had a good day
and like my friend james my life is fine
Unfortunatly, my dads so like me
only he gos to work and i go to school

so it came my mind on a very rainy
that maybe it would be good if we swopped places for
the day.

I stayed in my room for the rest of the day an the i
asked my dad
and can you guess what?

He put me in a mood, so i stamped around the room

cos when I

walk around in my house
Wonderin where on earth i am,
Im in this room and im in that room
But in this room i live my life

When im walkin around in my house
Wonderin where i am,
Im in this room and im in that room
But in this room i ... live ... my ... life

When im walkin around in my house
Wonderin where i am,
Im in this room and im in that room
But in this room i ... live ... my ... life!!!
