"Out Of Focus"

It's like nothing happened
When everything happened
You took it away
But that's the way I like it
I find myself laughing
Cuz everyone's laughing
I don't belong
Making up a number

Then there was nothing
In my mind
Then there was nothing
In my mind
I was just out of focus
In my mind
I was just out of focus
In my mind

I wasn't behaving
I wasn't invited
She could put it away
That's the way I like it
It's not entertaining
Being entertaining
I don't even work here
I operate the curtains

Then there was nothing
In my mind
Then there was nothing
In my mind
I was just out of focus
In my mind
I was just out of focus
In my mind

Then there was nothing
In my mind
Then there was nothing
In my mind
I was just out of focus

In my mind
I was just out of focus
In my mind
I was just out of focus
In my mind
