Waiting just like before
But just one hour of excitement out of these 24
And now there's 15 minutes to go
Before you said it would be that long 15 minutes ago

Ooh ooh oooooooh...

Eighteen out of the blocks
They couldn't wait to stop you so you knocked off their
socks
With all the making up for lost time
Makes up past experience and adrenaline

Ooh ooh oooooooh...

Sink that ship, do it all in one go
And you rock that boat, and they can't say no
Do what you like, that's alright
You gotta make mistakes, that's what it takes
Sink that ship, do it all in one go
Seeing all the sights, cause they're all very nice
Have that next with your eye on the decks
You've gotta take that risk
Or you'll blink and you've missed it

Ooh ooh oooooooh...

Rewind back to the start
I'm good for nothing, but you looked for the heart
And now you're angry, counting to ten
I wouldn't do it slowly but I'd do it again

Ooh ooh oooooooh...

Sink that ship, do it all in one go
And you rock that boat, and they can't say no
Do what you like, that's alright
You gotta make mistakes, that's what it takes
Sink that ship, do it all in one go
Seeing all the sights, cause they're all very nice
Have that next with your eye on the decks
You've gotta take that risk

Or you'll blink and you've missed it
