Let's take a look at your eyes they're bloody mental
Swelled to the size of the Lincoln Continental
A bag of pills and a pag of ugly menthols
And i can tell by your teeth you've had a good life!

You can take my temperature
I got a 2 on 1 to be hip hey hey hey
You can take my temperature
Coz i'm a hundred degrees in the shade over here

You said your sister, she stumbled to a party
Because the someone you like was at the party
You fell asleep on the coach before it started
And i can tell by the coach this is a nice place!

You can take my temperature
I got a 2 on 1 to be hip hey hey hey
And you can take my temperature
Coz i'm a hundred degrees in the shade over here

And now you tell me you've gone south for the winter
And i can count my friends upon my fingers
My hands are cold and i cannot feel ma fingers
And i can tell by your tan your pretty healthy

You can take my temperature
I got a 2 on 1 to be hip hey hey hey
And you can take my temperature
Coz i'm a hundred degrees in the shade over here

Oooooooh
Ooooooooooooooh
Ooooooooooooooooooh

You should take my temperature
I got a 2 on 1 to be hip hey hey hey
And you can take my temperature
Coz i'm a hundred degrees in the shade over here

You can take my temperature
I got a 2 on 1 to be hip hey hey hey
And you can take my temperature

Coz i'm a hundred degrees in the shade over here
