Didn't expect any of this  
But it's really nice  
Didn't want you to cause a fuss  
But it feels alive

So thank you very much  
It's really nice to know  
That you enjoyed the show  
And I want you to know when to go

'Cause this should be a thrill  
But it feels like a drill  
Now you must let me go  
Let me go

I just imagine that of you  
And there's nothing, nothing, nothing I can't do  
I just imagine that of you  
And there's nothing, nothing, nothing I can't do

I just imagine that of you  
And there's nothing, nothing, nothing I can't do  
I just imagine that of you  
And there's nothing, nothing, nothing I can't do

I remember what it was like  
And it was really nice  
Never thought I would experience this  
From the other side

So thank you very much  
That's really nice to know  
That you enjoyed the show  
And I want you to know when to go

'Cause this should be a thrill  
But it feels like a drill  
Now you must let me go  
Let me go

I just imagine that of you  
And there's nothing, nothing, nothing I can't do

I just imagine that of you  
And there's nothing, nothing, nothing I can't do

I just imagine that of you  
And there's nothing, nothing, nothing I can't do  
I just imagine that of you  
And there's nothing, nothing, nothing I can't do
