One, two, three, four

Head down, keep your head down  
Keep the ramp down all the time  
Hold tight, to your red stripe  
Why do we fight every time

I wish that you could see me in the day  
I hope that you'll remember me that way

Nightclub, more the lights stop  
Stopped to all the time  
I treat you like the see-through  
I don't mean to every time

I wish that you could see me in the day  
I hope that you'll remember me that way

What did I ever give you  
When you wanted me to  
All I gave you was pain  
And a look of disdain  
What did I ever give you  
When you wanted me to  
All I gave you was grief  
Are you sick to your teeth

Disgraced, back to my place  
I'm a complete waste of your time  
I'm asleep before the first sheep  
Until the last bleep of all time

I wish that you could see me in the day  
I hope that you'll remember me that way

What did I ever give you  
When you wanted me to  
All I gave you was pain  
And a look of disdain  
What did I ever give you  
When you wanted me to  
All I gave you was grief

Are you sick to your teeth

What did I ever give you  
When you wanted me to  
All I gave you was pain  
And a look of disdain  
What did I ever give you  
When you wanted me to  
All I gave you was grief  
Are you sick to your teeth

What did I ever give you  
When you wanted me to  
All I gave you was pain  
And a look of disdain  
What did I ever give you  
When you wanted me to  
All I gave you was grief  
Are you sick to your teeth

What did I ever give you
