Yesterday you lay awake on your bed,  
And worked out you'd done everything that you said,  
That you knew therefore you'd got to be saved,  
The lord of the bored and a slave to her... (wage?)

It's a mystery  
Oh, it's a mystery  
You want some history  
Oh it's a mystery

So last night you got up and out of this room,  
The ceiling is peeling and covered in gloom,  
Jaguar shoes is the best you deserve  
Decision, a lesson you ought not to learn.

It's a mystery  
Oh, it's a mystery  
You want history  
Oh it's a mystery

Today as you shake off the drunken degree,  
All that is left is the faint memory,  
The downing, the drugs, all the nights on the tiles,  
It's hard to remember but totally worthwhile.

It's a mystery  
Oh, it's a mystery  
You want some history  
Oh it's a mystery

It's a waste of money  
You have to admit  
And it's a waste of money  
You have to have it?

It's a waste of freedom  
You have to resist  
If you're wanting history  
You've got it

It's a waste of money  
You have to admit

And it's a waste of money  
You have to have it?

It's a waste of freedom  
You have to resist  
If you're wanting history  
You've missed it

Don't stop moving  
You mustn't stop moving  
You can't stop moving  
You must join in

Don't stop moving  
You mustn't stop moving  
You can't stop moving  
You must join in

Oh oh oh-oh-oh oh oh oh bit
