i like to be around you  
when your not tryin to be somebody  
and i like to hang with you  
talk about whatever we talk about

i dont care where we go  
what we do  
who you kno  
what you wear  
or if your hair is blue or purple or pink

you dont have to be cool  
dont have to be smart  
dont need to know anything all the time  
its alright if your a little bit out of it  
i dont care i just wanna be your friend

i like to go to the mall  
and walk around with you laughin out loud  
and you like to go up to people  
and tell them your cousin is somebody famous

dont care who we see  
what they say  
you and me we'll be ok  
if we dont get caught by security

you dont have to be cool  
dont have to be smart  
dont need to know every thing all the time

its alright if your a little bit out of it  
i dont care i just wanna be your friend

i tell you what i dont tell any one else  
just having you here you no where  
helps me

you dont have to be cool  
dont have to be smart  
dont have to kno anything all the time  
dont have to be tough

dont have to be cute  
dont need to know anything any time  
its alright if your a little bit out of it  
i just wanna be i just wanna be your friend

dont have to be cool  
dont have to be smart  
dont have to be tough  
dont have to be cute  
dont need to know every thing all the time  
anything any time  
i just wanna be your frined  
i just wanna be your friend

i like to be around you when your not tryin to be  
somebody
