Grab the love  
Grab the love  
Grab the love  
Like it's your last chance  
Last chance last chance

Grab the love  
Grab the love  
Grab the love  
Like it's your last chance  
Like it's your last chance

Gazing out the window  
(users, abusers, losers)  
Trying to make a dollar  
(with no shame, no shame, no shame)  
Can't you feel the pain  
Of our unity community yeah  
It ain't no easy thing  
To fight the war, fight the war, fight war  
C'mon

Grab the love  
Grab the love  
Grab the love  
Like it's your  
Last chance, last chance, last chance

Grab the love  
Grab the love  
Grab the love  
Like it's your last chance,  
Last chance, last chance

Hatin' on each other  
The jealousy complexities  
We gotta help our brotha  
Lift his head up to the sky  
(Lift it to the sky)

We gotta help our sista  
Do the same thing too

(the same thing too)  
We gotta help each other  
Look out for you  
Look out for me  
Cmon

Grab the love  
Grab the love  
Grab the love  
Like it's your last chance  
Last chance, last chance

Grab the love  
Grab the love  
Grab the love  
Like it's your last chance  
Last chance, last chance

Time and time again  
We grab at  
Slipping hands  
Wondering if the help is  
All in vain

Time and time again  
We grab at  
Slipping hands  
Wondering if the help is  
All in vain

Grab the love  
Grab the love  
Grab the love  
Like it's your last chance  
Last chance, last chance

Soon ah will be done ah wit  
The troubles of the world  
Troubles of the world  
De troubles of the world
