(VERSE 1)

No sooner than I turn my back and then It's so hard to find I'm on the decline with you.

(BRIDGE 1)

Were I to know... Is there something between me and you? Can't pretend you... And baby it's hurting me too.

(CHORUS 1)

Hang on girl, meet my heart It knows the best time for new love to start. Hang on now, meet my heart It knows the best time for us to start. Hang on girl (hang on girl) won't you remain?

(VERSE 2)

Those special moments Together I don't understand But can't we go ahead As we had planned?

(BRIDGE 2)

I've questioned all... Underneath I can see Somewhere my stolen lover Who really should still be with me.

(CHORUS 2)

Hang on girl, meet my heart It knows the best time for new love to start. Hang on girl, meet my heart It knows the best time for New love To start.

(MIDDLE)

Should I hang on? Should I stay? What's the ransom I will pay?

(REPEAT MIDDLE)
Should I hang on?
Should I stay?
What's the ransom
I will pay?

(FINAL CHORUSES)

(REPEAT FADING)

Hang on girl, meet my heart
It knows the best time for new love to start.
Hang on now, meet my heart
