"The Power To Forgive"

Loving is to live with the power to forgive
Loving is to live with the power to forgive
Lead me, show me, where can it be found.
Reach me, hold me, don't ever let me down.

Tell me what you've seen
I know the story
Tell me what you mean
Maybe or surely.
Tell me what you've seen
The crimson fell like rain

Should I even try?
Whatever befalls me
Living out a lie?
I believe in glory
Should I even try?
Until it comes again.

CHORUS

Forgiveness you're the key, you're no fool that died
for me
I'm real sorry though, I simply could not see
Forgiveness you're the key, you're no fool that died
for me
Forgiveness is forgiving endlessly
Reach me, show me, where can it be found
Teach me, grow with me, don't ever let me down.

Tell me what you've seen
Every day I fail him
Tell me what you mean
As I bang another nail in
Tell me what you've seen
Living my life the same
Should I even try
Paying the debt back
Living out a lie?
Been a long time sidetracked
Should I even try

Until it comes again

CHORUS

Forgiveness you're the key, you're no fool that died
for me

I'm real sorry though, I simply could not see

Forgiveness you're the key, you're no fool that died
for me

Forgiveness is forgiving endlessly
