Mmmmm

The time is right, I'm gonna pack my bags  
And take that journey down the road  
Cos over the mountain I see the bright sun shining  
And I want to live inside the glow

Heyeeayyeayy

I wanna go to beautiful  
I wanna go to beautiful

Please understand that it's not that I don't care  
Cos right now these walls are closing in on me  
But I love you more than I love life itself  
But I need to find a place where I can breathe  
..I can breathe

I wanna go to a place where I can hold the intangible  
And let go of this pain with all my might  
I wanna go to a place where I'm suspended in ecstasy  
Somewhere between dark and light  
Where wrong becomes a right

I wanna go to beautiful  
I wanna go to beautiful  
yeahhh.. I wanna go to beautiful  
I wanna go to beautiful

Beautiful
